WHITE DUCK SUITS, Wigethern men socking homes and workshor the development of the South are called carpotter development of the South are called carpotter development. John W Former, now on a tour of the baggers. John W Former, now on a tour of the baggers. LINEN AND DUCK

Forney says

Here, as elsewhere, I saw how much the American Government is indobted to what are called the "carpet baggers" and to the freedmen No doubt there are disreputable characters smong both these classes, but the majority are brave and disinterested. Suppose these Northern men had not come forward to battle for principle in this Southern State—to bear the scofe, and present the southern State—to bear the scofe, and present the description of the second have even started reconstruction Governoe Holdens, Colonel Henderson, Judge Castwell, and others of that class, are entitled to prusse, but without the

Judge Russell, Judge Cantwell, and others of that class, are entitled to praise, but without the stout hearts and strong arms of the gallant of our armies, remained to fight out the battle of principle, and by their constitution, courtespand intelligence to disarm the prejudices and bigot rice of our recent enemies, the mative the ionization of the contents from the bottom in the bands of the colored man, and receiled the great picture and prophecy of Charles Russians, several years ago, when he mailed has the mescager of peace, and the weapon of self detects, the minister of liberty and the arcist protection of the Government. Without the bollot the rice to peace, and the weapon of self detects, the minister of liberty and the arcist protection of the Government. Without the bollot the rice grow would be worse than a silve. So and, and may be said, that when he votes itselfigenty in the winter k-public and sond the rice of the contiders as a lapper or a turbulant ation. No matter what the charge, against him, a fact that works industriantly he will be contidered from the above of morthern trial during the properties of the contiders as a continuous the cold of the winter k-public and sond the rice of the contiders as a continuous the cold of the same should be made and any or the contiders as a continuous that cold of the same, and always reserved to allow the water and supprended of turns of benzine weed daily in wells, and primined on a diduction for the same should be mind.
